

19th Annual Tour of Homes on Anna Maria Island

Distinctive architecture, elegant interiors and stunning waterfront views will be open to the public from 10am to 4pm on Saturday, March 17th, 2012 for the *19th Annual Anna Maria Island Tour of Homes*.

Acclaimed each year by professional decorators and past attendees from throughout the west Coast of Florida, the 2012 tour will include select island properties in Anna Maria City and Holmes Beach. The homes reflect various styles of island living and provide participants with ideas for interior decorating and entertainment.

The Boutique offers original arts & crafts, culinary delights, as well as a beautiful handmade quilt, entitled "*Birds of Paradise*" by the "Eyeland Needlers". Proceeds from the Tour benefit Youth Programs at the Anna Maria Island Community Center.

The Tour of Homes draws *thousands* of people traveling to the island from as far away as Lakeland, to Tampa, to Sarasota and Venice. Tickets will be available at various outlets throughout Bradenton in early March. For more details, please contact Sandee Pruett by calling (941) 778-1908 ext. 0 or by emailing sandee@myamicc.com.
